## **What Children had to say about The Terrible Grump ...**

**" The Terrible Grump written & directed by CHRIS SPEYER is lovely. I really enjoyed all the magical & fun music by IEUAN GOCH AB EINION. The Bingle Bongle band played lots of different instruments. We were able to join in playing & singing too.**

**The Bingle Bongle Band were Ocarina's dolls. They came to life & were dressed in clever wired dresses. The colours & shapes on their costumes were amazing. I really liked Bongo's (SHARON MCARDLE) hat.**

**The performers were brilliant as they wibble wobbled through Ocarina's (BARBARA HADDEN) adventure & their search for the lost song. They called the Boogie Woogie (CAROLYN MURRAY) to help them. She liked to sing. She had amazing shoes & a starry blue & silver costume.**

**My favourite character was The Terrible Grump (JOANNA KENRICK) because she was not too scary & liked cuddles. I think Ocarina was brave to talk to her.**

**The set was lovely. (Costume & set were designed by KATHERINE UKLEJA.) They used lots of different puppets. I liked the monkey best.**

**I think all children 6 & under will enjoy it. It starts when you go in because Mum (SUSANNAH VAN DEN BERG) dusts the audience. It made everyone giggle. "**
